Sir:

Replacement formal drawings are submitted herewith for Figs. 1-3. These replacement formal drawings include three sheets and replace original sheets 1-4.

That is, the present replacement formal drawings are effective to cancel sheet 4 which contained a listing of the reference numerals in the drawings, to delete the sheet numbers 1/4, 2/4, 3/4 from the drawing sheets, and also to label Fig. 3 as "Prior Art" as required by the Examiner in item 3 on page 2 of the Office Action.

Thus, entry and approval of the attached three sheets of replacement formal drawings is respectfully requested (and it is further requested that sheet 4 of the original drawings be canceled).

Respectfully submitted,

Takafumi YUASA et al.
